

CAWTHORNE VILLAGE COMMUNITY VOLUNTEERS

HERE TO SUPPORT OUR NEIGHBOURS SPECIFICALLY COVID-19
KEY WORKERS, THE ELDERLY, VULNERABLE AND THOSE SELF-
ISOLATING.

We are a team of local volunteers working in partnership with Cawthorne Village Store and Tea Rooms to help our neighbours - specifically COVID-19 key workers, the elderly, vulnerable and those self-isolating.

Please see the services and support numbers below:

- For quality food, drinks and cupboard essentials **please call Hilary and Andrew on 01226 792829** and they will enlist our local volunteer team to help deliver directly to your door. (Please be patient for deliveries, we will get to those in need).
- For prescription collection, posting mail, emergency supplies, dog walking or to arrange a friendly chat with one of our lovely volunteers **please call Natalie on 07958 672075.**

This service is completely free and just payment for goods collected and/or delivered is expected and is reserved for those that need us most. Thank you for supporting us.

Please note: We are registered with the National Network of COVID-19 Support Groups. Please be aware of bogus callers.
