

Methods of Communication

Open Meeting held on 21/01/2017 for all residents was advertised

- on the Cawthorne Parish Council website
- in the Parish Magazine
- on posters displayed in the Village Store, Post Office, Village Hall, Parish Room and both noticeboards

Following the first Steering Group meeting on 04/04/2017 it was decided to have a Facebook page for the village to reach more residents. 8 more Steering Group meetings have been held since that date and minutes of all meetings are available to peruse on the Cawthorne website.

Regular updates on progress have been posted on Facebook, Cawthorne website, in the Parish Magazine and in the local press and a direct mail shot to all residents was sent prior to consultation taking place. A copy of the Plan has been available to peruse on the website for the last 12 months (updated as necessary).

In addition meetings have been held with landowners and businesses in the area and liaison has taken place with Barnsley MBC.

Before informal consultation took place 2 Open Events were held to which all residents were invited, one in November 2018 and April 2019 – both events were extensively published on the website, facebook page, Parish Magazine and on posters displayed as above.

As part of the consultation process copies of the Plan and feedback forms were downloadable from the website and paper copies were also made available at the Village Store and Post Office. Reminders of the deadline date and importance of feedback were posted on a regular basis on the website, facebook page and Parish Magazine – with a final push of posters displayed as above.
