In minute 87 where it was discussed that there would be a review around the Orchard Play area it was noted that the review was to be around a fence being erected if the signs had not had the desired effect.

It was decided that a letter would be sent thanking the resident that was gifting the land for their kind offer but declining due to ongoing costs etc, it was also decided to send a letter to ex Cllr Peter Kilner for his help with the matter previously.

Cllr James McNally mentioned there was a overhanging tree on Darton Road , it was established that BMBC already knows about this and will be dealing with it as soon as possible.

Cllr Eyre mentioned overgrown vegetation on Lane Head Road was encroaching onto pavement. A letter is to be sent from Clerk on behalf of Parish Council to all residents involved. Cllr Eyre also mentioned the grass verge was also encroaching, Cllr Robert Barnard commented that he would have a look in daylight and have a word with the Highways department.

Cllr Eyre brought up that at the last meeting Cllr Barron had mentioned that the village needed some revitalising and that he had been having a look round and had also noted that there were weeds etc that needed cleaning up and general maintenance needed. It was suggested that a working party be got together. Cllr Barnard asked if there were any photos he could pass on.

Cllr Wilson reported that the street light that had been brought down by the fallen tree at the cemetery had now been replaced

Cllr Rusby mentioned that at the side of the bus shelter there was a coping stone that had been drilled into and green fencing erected . This was apparently only to be a temporary measure , however the fencing is still there and is unsightly – a letter is to be written to resident to ask when it will be replaced. It was also mentioned about the two bungalows on Church Street that the front gardens were in some need of a clean up. Cllr Rusby also

asked if the museum wall had been tended to as per flooding when raining. Cllr Eyre said he would chase up.

Cllr Barron raised a comment about a notice board being erected in the cemetery with rules and regulations on it as it was noticed that there are items being placed in the cemetery that should not be there – it was also asked that this be put in the Parish Magazine.
