### **Clerk's Report**

1. A parishioner wrote to say that the bus shelter on Tivydale needed tree branches cutting back, ivy clearing, gutter clearing and fascia painting. I wrote to the owner of the property adjacent the bus shelter asking for tree branches and ivy to be cut back, which he did. The parishioner then asked when the work would be completed. I replied that I was having difficulty getting someone to do the work so she went and cleared the rest of the ivy, the gutters and painted the fascia. I wrote and thanked her for doing this.
2. Email sent to BMBC asking for vegetation at Kexborough Bridge to be removed.
3. Letter sent to Chantry House thanking them for replacing chimney as original.
4. At the request of a parishioner, BMBC have been contacted to establish if the grass verge on Church Lane is BMBC's and if so please could they add it to their grass cutting schedule. No reply.
5. There was a "pop-up police station" on the village green on Wednesday 23<sup>rd</sup> June and it had been visited by several members of the public.
6. The rotted log stepping stone in The Orchard has been removed.
7. The litter pick was very successful with more people turning up than expected and some had to be turned away due to lack of equipment.
8. The Clerk is once again producing Parish Notes.

### **Correspondence**

1. 10/5/2021. Cllr John Wilson reported the Barnsley Road sign to BMBC. BMBC said it will be replaced in 4-6 weeks.
2. In response to the letter I sent to Chantry House, they replied saying "We, like the parish council, believe that the conservation of our beautiful village is of the utmost importance and

hope that once all the renovation work is complete the house will really be back to its former glory”.

3. email from a resident of Darton Road. “There are traffic lights on Darton Road at the moment - no speeding cars, screeching of brakes, mounting the pavement, motorists shouting abuse at each other. Some method of limiting traffic to single file at intervals on Darton Road brings about a massive improvement to the traffic problems residents suffer.”

4. The Mayor’s Civic Service has been postponed until Wednesday 29 September 2021 due to the delay in easing COVID restrictions. The service will be at the same time, 4pm at St Mary’s Church.
