

Cawthorne Light up Advent Trail

In partnership with Cawthorne Methodist Chapel 24 windows will light up throughout advent displaying the Jesse Tree Christmas story. Each night in December a new window will light up, lights on 4pm-8pm.

By the 25th December and running until 1st January the full wonderful window trail will be available through the village.

Maps of the route are available on the Methodist Church Facebook page or Parish Council website, and some printed maps are available outside Chapel. Grab your winter woolies and a hot drink and enjoy a Christmas evening stroll, Merry Christmas!
