Minute No 21 PLANNING APPLICATIONS

Application No: 2022/0485

Description: Erection of solar panels in two locations

Location: Woolgreaves Farm, South Lane, Cawthorne, Barnsley, S75 4EF

Resolved that the committee has no objections to this application but make the following comments; the application does not indicate which way the panels will be facing, the Planning and Heritage Statement and the Solar Dimensions documents both state that the maximum height of the panels will be 1.2m but the elevations plan shows the height as 2.247m, and has the panel in the field been set back from the road to ensure that it is not visible from the road?

Resolved that the date of the next meeting be Thursday 20th October 2022 at 10am in the Moxon Room subject to there being planning applications received.

There being no further business the chairman thanked all for attending and closed the meeting.
